## Premium

### LARGEST HORSEPOWER AVAILABLE!

#### Easy and Fast to Install

Bio Shield disposers feature Speed Master Mounting, an exclusive system that provides fast and economical installation.

#### Corrosion Proof

The Bio Shield Premium model carries a lifetime warranty against failure due to corrosion.

#### Permanent Magnet Motors

Bio Shield motors offer maximum torque instantly with the power to cut through potential jams.

#### Removable Splash Guard

All Bio Shield models have a removable splash guard, ideal for easy cleaning and replacement.

#### Silver Guard

The magnetic Silver Guard captures most metal objects before they enter into the disposer chamber. This protective feature helps prevent damage to valuable cutlery. It also helps prevent damage to the disposer as well as expensive repairs caused by metal objects falling into the disposer.
